

Limits Table – PLN base currency customers

Date of issue: 10/05/2019

Monthly and annual limits are applied at Customer level, net of a Customer's spend respectively in a given 24-hour period or over the prior 30 and 365 days and are subject to availability of funds on the specific Sub-account. For Cards held by Customers who completed the Full Registration process, limits are applied at Card level.

We may amend these limits at any time and with immediate effect at our sole discretion, and/or may apply lower limits to individual Customers based on risk considerations and/or to comply with applicable laws and regulations.
